A MESSAGE FROM THE PRESIDENT

Dear Fontbonne Friends,

I have to start by saying that it is truly my privilege to share with you the recent happenings within the Fontbonne Auxiliary. By way of introduction, and for those of you I have not had the privilege to yet meet, it is truly my honor to serve as the new Fontbonne President for the next two years. You may be aware, but prior to transitioning from the board of directors to the role of President, I served St. John Hospital & Medical Center in an “employed” capacity for 32 years. I began work in January 1983 as an executive assistant to the Hospital Administrators. When I left St. John, some of those same administrators were my peers and colleagues, when I served as Vice President, Clinical and Support Services. I can say for certain that I truly “grew up” at St. John!! It has been such a privilege to work with such a talented group of executives, physicians, leaders and hospital staff. All of my experiences and relationships are held close to my heart. Some of the best times of my life have been here, while establishing the most meaningful and treasured friendships. I am beyond grateful for that.

Namely, one of my most treasured experiences was to serve as the administrative liaison to the Fontbonne and The Guild. It was there that I also established meaningful relationships and treasured friendships with so many. I eventually joined the Board of Directors for both of these fine organizations. Together we were able to raise millions of dollars for some of the most vulnerable members of our community. I am so proud to have been associated with the Fontbonne and The Guild for so many years and I look forward to our future work.

So here I am. I am truly humbled and so appreciative to serve in an equally meaningful way for the hospital where I was born and came to love through the service and leadership of my St. John family. Thank you for your confidence in me to

further the great work of the Fontbonne Auxiliary.

Our May General Meeting was held on May 13, 2015, at The Hill Restaurant in Grosse Pointe. A most sincere THANK YOU to Andrea Soave Provenzano and Alicia Krall for your hard work in hosting a great luncheon. It was at this meeting that our transitioning board members were honored and I and my most dedicated board of directors were sworn in for our service for the next two years. Most importantly, all the fruits of our labor for the previous years was provided with a check to the hospital President, David Brooks, in the amount of \$233,343.

In September 2015, Camille Cracchiolo and Mary Ghanem planned and hosted our First Annual Fontbonne Golf Outing at Lochmoor Club. Originally the golf outing was scheduled for Thursday, August 20, 2015, but due to inclement weather, we had to postpone it. So with the help of the Auxiliary team and under Camille and Mary’s leadership, we were able to reschedule this event very quickly and have it follow my first board meeting. In spite of having to cancel, we were still able to secure most of the golfers, and the ladies who participated had a great morning of 9-holes of golf, followed by a wonderful luncheon, with awards and prizes! Thank you so much, Camille and Mary for your great work on this new event. I look forward to the second annual golf outing next year!!

At our Board Meeting held on Thursday, September 3, 2015, I shared my vision for the next two years. My hope and one of my goals is to further engage the leadership of St. John Hospital & Medical Center, and the St. John Providence Health System. We are looking to host a membership campaign tied to a fun event, inviting leaders and other employees from the hospital. I would also like to plan more social events that we have not done before, in an effort to further our relationships and meet new Fontbonne friends. We are so blessed to have such dedicated women in our community wanting to contribute, while networking with others and having fun! We

discussed the need to perhaps change up some of the times for some of our events so that others might be able to participate. I would also LOVE to bring back the annual Fashion Show that so many of us remember and miss....Stay tuned!

I am pulling together an advisory committee to assist me in preparing our strategic plan for the next two years. If you are so inclined to participate, please contact Raegan Movinski, as soon as possible to get added to our committee. I am looking to pull together a diverse group of individuals to represent the interests and demographics of the Fontbonne Auxiliary in order to offer events where everyone has an opportunity to participate, while raising much needed dollars for our great St. John Hospital!

I look forward to our upcoming Holiday High Tea and Strolling Fashion Show. This year, my dear friends, Liz Mitchell, board member and Linda Trevillian, manager of Le Fontbonne Gift Shop, will be planning this event. We have decided to change things up a bit and kick-off the holidays a little earlier (just before Thanksgiving) on November 19, 2015 at the County Club of Detroit. We will have Fontbonne members and some of our guests model some of the great finds from Le Fontbonne Gift Shoppe. Attendees can shop during the networking portion of the day, and receive a 25% discount on items sold in the gift shop. You won't want to miss this event. They have a great day planned. Consider bringing a friend.

And finally, our traditional and largest event, The White Christmas Ball will be held on Friday, December 11, 2015, at Cobo Center. Our dear Amy Danna, most recent past president, has graciously accepted chairmanship of this wonderful event. I am so grateful to Amy for all of her hard work and dedication to the Fontbonne for so many years. She and her dedicated committee are planning a BEAUTIFUL event with a theme of "Heaven and Nature Sing". Look forward to more information soon! Another event you don't want to miss!!

I am so grateful to each and every one of you for your relationship to and support of the Fontbonne Auxiliary and St. John Hospital & Medical Center. It's because of you that St. John continues to thrive, and I look forward to our future work.

Blessings to you always,

Debbie

Fontbonne invites members and guests to a

British Traditional "High Tea"

The Fontbonne Auxiliary is planning a unique and exciting general membership meeting with its "Holiday High Tea and Strolling Fashion Show" on Thursday, November 19th at the Country Club of Detroit. The social hour begins at 11:00 a.m. and is followed by the luncheon and High Tea and fashion show. Co-chairing the event are the ever-creative Liz Mitchell and Linda Trevillian.

Our Fontbonne members will be modeling, casual style, the latest fashions from Le Fontbonne Gift Shoppe. The other Co-Chairs Peggy Davis and Patty Stumb have contacted numerous members and hospital friends to strut the Great Hall of the Club with fashionable sweaters, pants or tights, dresses and jewelry and handbags for accessories. Liz Mitchell will be the commentator for the outfits that are modeled.

A delightful lunch is planned with the High Tea to delight the palates of those who attend. The menu will consist of Squash Soup with Candied Pecans and the club's famous Michigan Salad with dried cherries and green apple slices. Next will be assorted Tea Sandwiches with a garnish of skewered fruit. Orange and cranberry scones with clotted cream and lemon curd will add to the culinary pleasure. Red, green and gold colors provide the ambience of the afternoon. Presentation of the desserts takes the form of three-tiered centerpieces embellished with holly and ivy and filled with assorted tarts, madeleines and petit fours. The decorative centerpieces are being created by Liz and Linda with the assistance of our very creative Fontbonne member JoAnn Miller.

Don't miss this luncheon experience with High Tea fashioned after the English tradition. Coffee and tea will also be included, along with soft drinks and cocktails available with cash or credit card. Le Fontbonne Gift Shoppe will display holiday gifts and fashions before and after the luncheon and meeting. Luncheon attendees will receive special discounts. ■

THE BEAUTY OF HEAVEN AND NATURE ABOUNDS WITH THE WHITE CHRISTMAS BALL

On a beautiful summer day, "Heaven and Nature Sing" was launched at the lovely Lakeshore home of Tammy and Joe Haney. Chairing the luncheon was Maureen Gleason with Tammy hosting the day's event. A wonderful lunch overlooking Lakeshore Drive was provided, and Fontbonne members had a chance to sign up for the committee where they could help in planning our 62nd White Christmas Ball.

On Tuesday, September 22nd, the photo shoot of our committee members for the Ball's program book was held on the beautiful and scenic Belle Isle. Peggy Davis, Camille DeMario, Pam Meyer and Patty Stumb, who were chairing the photo shoot, had previously surveyed the island, along with our photographer Karl Ford, to see the locations which would provide the best and most scenic sites for the numerous photos to be taken. The Casino, several bridges, meadows and lagoons provided the backdrop for our committee members. The Committee then gathered at the Detroit Yacht Club for a delightful lunch.

Heaven and Nature Sing

The celebratory Kick-Off Cocktail Party for our underwriters and committee members is being held on

Wednesday, November 11 at the beautiful Lakeshore home of Jenny and Paul Silva. It should be a very fun evening with all of the excitement growing with the White Christmas Ball.

The renovated, expansive and marvelous Cobo Center, Detroit will be the venue again this year for the ball. Scarlet Poppy is the design company that will transform the ballroom into a joyful "Heaven and Nature Sing". As guests arrive the entertainment will be provided by The Noteworthy, a very

popular a cappella women's singing group. Music for the evening will be provided by the renowned band, Skyline & The Back Street Horns. The favors are so generously donated again this year by Edmund T. AHEE Jewelers.

The funds raised from the underwriters, patrons and attendees at this year's ball entitled "Heaven and Nature Sing" will be dedicated to the Child Life Program at St. John Hospital & Medical Center. The program provides academic support, pain management, cancer care, play therapy and bereavement support to pediatric patients and their families who are coping with medical treatment, diagnosis and hospitalization through play, preparation, education and self-expression. Funding will help children deal with the numerous emotions that they may experience during a hospitalization and medical procedures. The outcome from this program's support will improve the comfort and care provided to the more than 1,600 pediatric patients and their families that are seen each year at St. John Hospital & Medical Center. ■

2015 FONTBONNE AUXILIARY NURSING SCHOLARSHIPS

“Not all angels have wings; some have scrubs!”

Because of a special endowment established by our Fontbonne Auxiliary in 1989, we are able to award annual scholarships to our nurses who are enrolled in the St. John Hospital & Medical Center Nurse Extern Program each summer.

Each year in July, a Fontbonne Selection Committee, along with hospital educators, gather to read each application (10-18), personally meet and listen as they proudly present their personal required projects and share their dreams for the future. What follows is the most difficult challenge – choosing 4-6 applicants (depending on the growth of the endowment) to receive a scholarship.

This year our committee included Peggy Davis, Camille DeMario, Jocelyn Dombrowski, Phyllis DeMars, Kim Hinton, Patty Stumb and Lorna Zalenski. As they read the values essays and listened to their

clinical improvement projects, they discovered words like mission, community, relationships, compassion, creativity, responsibility, dignity, comfort, passion, dedication, service and integrity, values aligned with the St. John Health Care System.

This year we awarded 5 Fontbonne Nursing Scholarships each in the amount of \$2,150.00. Choosing five winners out of 18 applicants proved to be a real challenge because each of the nurse externs were so special in the hearts and minds of their mentors, preceptors, and floor managers with whom they work each day at the hospital and most especially to the many patients whose lives they touched while at St. John.

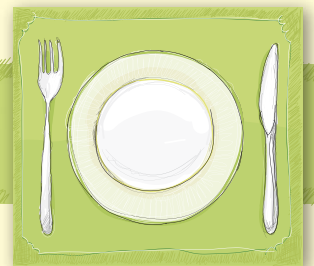

A big thank you to our committee who were so impressed with these “angels in scrubs.” ■

Fontbonne Auxiliary GIGGLES -N- GALS

"It's not the years in your life that count, but the life in your years!" With this in mind, plans for our Fontbonne's annual Girls' Night Out began on February 10th when the committee met at the Atwater Brewery in the Park. Sheri Rieth and Liz Bsharah, chairs for the event, hosted us for a fun and ambitious planning meeting. It was decided by all that we wanted to "mix things up a bit" for this year's event on April 29th at the Assumption Greek Orthodox Cultural Center. Thus we renamed the event **Giggles-N-Gals** and went with a "Comedy Night".

Co-Chairs: Liz Bsharah and Sheri Rieth

Phyllis DeMars and Pam Kocsis

Heading the evening's hilarious entertainment were Heather Jay and Brad Scott along with headliner, Dave Landau. We attracted a fun group of Fontbonne members and guests of all ages who enjoyed a "plethora" of giggles and gab time, a few signature drinks, a tasty, strolling dinner, a wonderful assortment of raffle and door prizes and a lovely array of decadent desserts. There

was definitely a lot of life and laughs in all our years! ■

Past Presidents' Luncheon Honoring Amy Danna

It was a lovely, cool, sunny spring day on June 5th, when 9 past presidents came together to honor our past Fontbonne president, Amy Danna and to welcome her into the special camaraderie shared by this illustrious group of women. They gathered in the Lakeshore Room at the Grosse Pointe Yacht Club and enjoyed a delicious salad luncheon followed by one of Amy's favorite desserts, a hot fudge sundae! Sharon Burke, Pat Ostosh, Victoria Young, Santina Fulgenzi, Ardis Gardella, Jean Azar, Peggy Davis, Aspa Raphtis and Patty Stumb were delighted to be able to celebrate Amy's past two successful years as our Fontbonne Auxiliary president. Everyone shared their own fun and unique memories of their special two years. Two of our past presidents, who were not able to travel, sent their love and warm wishes across the miles to all. Maria Valente called from Florida where she lives now and Lee von Berg from Arkansas where she has settled. Peggy Davis said, "Membership in the Fontbonne Auxiliary fosters meaningful and lasting friendships with the common goal of fund-raising and friend-raising for St. John Hospital & Medical Center." We are a unique group whose passion for helping so generously supports the hospital's passion for healing. ■

Front: Rhonda Schervish, Bridget Backer, Stuart Fletcher, Elissa Rextor

It was a brisk, chilly and windy morning on Saturday, October 3, but the weather didn't deter the Fontbonne Auxiliary, The Guild and the Grosse Pointe Yacht Club from sponsoring the second 5K Run/Walk along Lakeshore Drive. All ages enjoyed the fun fundraiser, and our Fontbonne members volunteered to ensure its success.

Jocelyn Dombrowski found the entertainment for the event again this year. Wally's Custard Truck is always enjoyed no matter what the age of the participants, spectators and volunteers. 5K Entertainment and Bafflin Bill the Magician dazzled the

crowd, and What Up Dough provided flavored fresh baked cookies for all to enjoy.

Other Fontbonne members who participated whether in the 5K Run/Walk or to cheer the walkers and runners on were Debbie Van Elslander and her granddaughter Claire. Linda and Tricia Schaden and children and grandchildren came to enjoy the entertainment and treats. Many thanks go to our Fontbonne/Guild Coordinators, Raegan Movinski, Pauline Hemmingsen and Kathy Taranto for all their hard work. Fontbonne Sponsors First Golf Outing for Members and Friends

"Girls Gone Golfing" merged with the September General Membership Meeting of the Fontbonne Auxiliary, and they were both held on Thursday, September 3, due to the inclement weather which cancelled the August 30th golfing event. A continental breakfast began the day at 8:00 a.m. at Lochmoor Club followed by a Shotgun Start at 9:00. Many Fontbonne members and their guests participated in the golf outing which was chaired by Debbie Condino, Camille Cracchiolo and Mary Ghanem.

A delicious luncheon followed the golf, beginning with the option of a Mimosa cocktail to accompany the culinary delight of a salad, Chicken Capparise and mouth-watering Cheesecake for dessert. Following the luncheon the winners of the 9 hole golf outing were announced. The winners were Debbie Van

Elslander, Christy Torgler, Janet Gadette and Leah Cracchiolo.

Fontbonne President Debbie Condino opened the general meeting with announcements from the various committees. The holiday meeting will be held on Thursday, November 19 at the Country Club of Detroit chaired by Liz Mitchell, JoAnn Miller and Linda Trevillian aided by Peggy Davis and Patty Stumb who are coordinating the models' outfits from Le Fontbonne Gift Shoppe. An update was given for the 62nd White Christmas Ball chaired by the immediate Past President Amy Danna. "Heaven and Nature Sing" will be held at the Cobo Center, Detroit on Friday, December 11, and all attending the luncheon were urged to attend this yearly event held by the Fontbonne Auxiliary. ■
